Board Nominations Coming Soon

It's not too early to be thinking about the Board of Directors elections that will take place at the April annual banquet. Some of the current Board members have indicated that they will not be running for re-election this year. The election committee will be putting out the request for nominations within the next month. Don't be afraid to ask if you are unsure what the duties are for a position. The only requirements for nomination are that you are a member in good standing and have been with the club at least one year. If you are interested in being considered for a position, or know of someone that you feel should be on the board, please fill out a nomination form and get it in the box. A listing of all board positions is on the back of this newsletter.

For newer members, the nomination process works as follows. A box and nomination forms are placed on the desk at the indoor range for about six weeks in March and April. Simply fill out a form for each person you would like to nominate and indicate the position for which you are nominating him or her. You can also nominate yourself for a position. About two weeks before the annual banquet, the forms are collected and each person nominated is contacted and asked if they would serve in the position if elected. Those assenting to this are placed on the ballot for election at the banquet.
